About WELL Health Technologies Corp.

WELL is an omni-channel digital health company whose overarching objective is to empower doctors to provide the best and most advanced care possible while leveraging the latest trends in digital health. As such, WELL owns and operates primary and executive healthcare clinics in both Canada and the US, operates a multi-national portfolio of telehealth services which includes one of the largest telehealth service providers in Canada and operates a global digital Electronic Medical Records (EMR) business serving thousands of healthcare clinics and health systems of all sizes. WELL is also a provider of digital health, billing and cybersecurity related technology solutions. WELL's wholly owned subsidiary CRH Medical is a provider of products and services that support Gastroenterology physicians and ambulatory surgical clinics in the US. WELL is an acquisitive company that follows a

disciplined and accretive capital allocation strategy. WELL is publicly traded on the Toronto Stock Exchange under the symbol "WELL". To access the Company's telehealth service, visit: tiahealth.com, and for corporate information, visit: www.well.company.
