

WELL Health Announces Appointment of New Chief People Officer

Shane Sabatino, human resource executive with 25 years of experience, to head up WELL's people and culture objectives to support the Company's rapid growth.

Vancouver, B.C. – June 10, 2021 - **WELL Health Technologies Corp.** (TSX: WELL) (“**WELL**” or the “**Company**”), a company focused on consolidating and modernizing clinical and digital assets within the healthcare sector, today announced the recent appointment of Shane Sabatino as WELL's Chief People Officer.

Prior to joining WELL, Shane served as President, TELUS Employer Solutions & Vice President TELUS Health Public Sector Canada over a period of five years. Before that Shane was Senior Vice-President of Human Resources at The Brick where he served over 7,000 team members from over 250 storefronts. Shane also spent close to a decade in an internal HR capacity at TELUS prior to joining the Brick.

Hamed Shahbazi, Chairman and CEO of WELL Health commented, “We are very pleased to have Shane join us as the Company's Chief People Officer. Having a highly experienced executive with a tremendous background leading highly successful HR teams for major Canadian corporations, now heading up WELL's People and Culture objectives and building a world-class HR shared services program for our rapidly expanding team is a big win for the Company. With 25 years in the human resource sector, Shane brings a commitment to lead and support WELL in its purpose driven culture objectives.”

During his last five years at TELUS, Shane was responsible for the implementation of human resources, wellness and digital health solutions for public and private sector organizations across Canada. He led digital health implementations in the areas of remote monitoring, personal health records, virtual care and mental health solutions for Canadians and the healthcare ecosystem coast to coast. Shane holds an undergraduate degree in Physical Education as well as a postgraduate program certification for teaching. He has also completed executive programs offered by Harvard Business School, University of Michigan, and the University of Alberta.

Shane Sabatino added, “I look forward to serving and supporting WELL team members in their personal and professional development during this period of rapid growth for WELL. My overarching objective is to be a servant leader, as well as a source of empowerment for the team.”
