

WELL Health Announces Appointment of Senior Vice President of Capital Markets

Jamil Nathoo, executive with over 16 years of experience in financial sector, to head up WELL's US capital markets expansion.

Vancouver, B.C. – June 29, 2021 - **WELL Health Technologies Corp.** (TSX: WELL) (“**WELL**” or the “**Company**”), a company focused on consolidating and modernizing clinical and digital assets within the healthcare sector, today announced the recent appointment of Jamil Nathoo as WELL’s Senior Vice President of Capital Markets. Previously Jamil has spent the last six years at Goldman Sachs as a Managing Director responsible for structured debt distribution. Jamil joined Goldman Sachs in 2015 as Vice President in the investment banking division and named Managing Director in 2019.

Hamed Shahbazi, Chairman and CEO of WELL Health commented, “We are very pleased to have Jamil join us as the Company’s Senior Vice President of Capital Markets, he brings to WELL over 16 years of serving at three of the largest full service investment banks on the globe, his extensive buy-side and sell-side experience, coupled with his proven ability to lead within the ever evolving, rapid paced business environment of the capital markets, will add tremendous navigational support to WELL’s own growth strategies as it engages with the US capital markets.”

Prior to Goldman Sachs, Jamil worked as a Director at BNP Paribas, where he helped launch structured credit distribution and the firms collateralized loan obligation (CLO) business. Jamil led marketing and syndication globally while at BNP Paribas. Before that, he served as Vice President at Deutsche Bank in structured products sales for three years. Earlier in his career Jamil worked on the buy side in bond trading at ACA Capital. Jamil earned his BA in Economics from the University of Western Ontario and his MBA in Finance and Marketing from HEC Paris.

“I am so pleased to be part of the amazing WELL team and head up the Company’s capital markets expansion,” said Jamil. “I believe WELL’s purpose driven work to evolve health care through the modernizing of patient services and empowerment of practitioners, combined with WELL’s tremendous growth and disciplined acquisition strategy, positions WELL as an attractive opportunity for the world’s largest capital markets.”
