About WELL Health Technologies Corp.

WELL is a practitioner focused digital healthcare company whose overarching objective is to positively impact health outcomes to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end-to-end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside and outside of WELL's own omni-channel patient services offerings. As such, WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national, multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol "WELL" and is part of the TSX Composite Index. To learn more about the Company, please visit: www.well.company.
